

Kit Packages

WARE YOUTH FC
Est 1973

Information

Ware Youth FC have developed kit packages that are available to share with potential sponsors as an indication of costs. Please note the following:

1. This listed prices are an estimate only, to give your potential sponsor an idea of how much the costs will be. Prices from the manufacturer may vary. Once the sponsor confirms that they are happy with the quote we will cost out the exact price, but these quotes should be very indicative.
2. Each kit sponsor is set to last for two years. If you are overlapping into the next format (5 into 7-a-side, 7 into 9-a-side etc) in either the first or second season then we will ask you to order shirts to cover the higher format. This is to avoid the club incurring additional cost by having to order extra kits at a later date. The minimum amount to order for each format is:
 - 5-a-side – 8 x outfield and 1 x GK
 - 7-a-side – 10 x outfield and 1 x GK
 - 9-a-side – 12 x outfield and 1 x GK
 - 11-a-side - 16 x outfield and 1 x GK
3. We plan to include one coach's top and one coach's jacket into the quotes. These can be sponsored.
4. All kits are short sleeved.
5. We need to know what size kits you require. The chart is included at the end of this document. Do allow for two years of growth. Please note that when shirts sizes go to small men sizes upwards (around 14 years of age) there is an increase in cost of around £4 - £5 per kit.
6. Each kit includes the sponsor's logo and club badge on the front and the respect logo and shirt numbers on the back. The training jackets include numbers and club badge on the front and sponsor's logo on the back.
7. The supplier will need to send their logo and pay the invoice before kits are ordered.
